WHAT IS ABEABC?

We are a network of people committed to providing high quality learning opportunities for adults desiring high school completion or upgrading for post-secondary or career pathways. As educators who support one another, we share resources and offer professional development targeted toward the ABE educator with opportunities for publication and presentation as well.

We host an annual conference bringing ABE educators to present, recharge, network, and learn together.

HOW DO I JOIN?

Fill out the membership application form and return it along with a cheque made out to the association for your annual dues. Memberships are valid for 12 months, paid annually each spring. Memberships also offered throughout the year at a prorated amount.
